### Fleet 5 August Newsletter.

What happened to the season? The summer series is finished and after the PHRF break the Labor Day regatta is next up.

#### Social Update:

First, an update on the social calendar just to prove that there is much more to our season than sailing around the bouys.

Thanks to our perpetual hosts **Jane and John Casler** for holding the Independence Day Party. With a bye weekend from MRA and the fleet party falling on the Fourth of July, the party had an early start time to allow folks to take in Marblehead's fireworks display.

We also owe a big thank you to Social Chair **Jim Raisides** and super hostess **Vonda** for bringing the dampened Race Week party indoors and allowing 50 or 60 soggy sailors to take over their home.

Next up is the Labor Day weekend party. This year it will be hosted By **Charlie and Sloan Pendleton** at their home at 94 Nanepashemet St. Marblehead. Party is after racing on Saturday Sept 5<sup>th</sup> with a 6:00 start time. This is a pot-luck dinner so please respond to the upcoming evite or Jim Raisides at 781-639-1602 with what you will bring and how many people in your group.

#### Racing Results:

##### East Coast Championship

Congratulations to New East Coast Champions **Doug Trees** and **Chris Small**. Rounding out the top five finishers from Marblehead were **Charlie Pendleton** and **Jim Raisides** in second place, **Kim and Christina Pandapas** in fourth, **Jeff Shoreman** and **Dave Reynolds** in sixth and **Ian Peebles** and **Pete Kasnoski** in seventh place. With this strong showing, Fleet 5 is the first recipient of a new perpetual trophy donated by regatta chair **Bill Bradford** from Hull Yacht Club. The beautiful hand carved wooden trophy is Bill's handiwork and will be awarded to the fleet with the best finish of their top 5 participants. The trophy was on display at the race week party and if in case you missed it will be available at the next fleet event.

##### Marblehead Race Week

This was an unusual Race Week with plenty of wind on the days we
